SHAREHOLDER AGREEMENT (please read carefully and sign)

By becoming a Shareholder of the Eats Village Farm CSA, I understand that the shares will vary in size and weight depending on what is available for harvest. I further understand that the crop will depend on various climate conditions that are variable and unpredictable and that the risks and benefits of the harvest are shared. I also agree to work in the garden for 6 consecutive hours once during the season. If you want to discontinue your share in mid-season, you may transfer your share to a person on the waiting list (if any) at a pro-rated price. **Payments are non-refundable.**
